#### CURED OF RHEUMATISM.

Mr. Wm. Henry, of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says: "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale by Chas. C. Davis.

A grass fire from a locomotive spark is given as the cause. The property loss will probably reach \$15,000,000.

Kodol for Dyspepsia has helped thousands of people who have had stomach trouble. This is what one man says of it: "R. C. De Witt & Co., Chicago, gentlemen.—Bu 1907 I had a disease of the stomach and bowels. I could not digest anything I ate and in the spring of 1902 I bought a bottle of Kodol and the benefit I received from that bottle all the gold in Georgia could not buy. I still use a little occasionally as I find it a good blood purifier and a good tonic. May you live long and prosper. Yours very truly C. N. Cornell, Roding, Ga., Aug., 27, 1907. Sold by Chas. C. Davis.

Kennedy's Laxative Cough Syrup—the cough that tastes nearly as good as maple sugar and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly yet gently on the bowels, through which the cold is forced out of the system and at the same time allays the inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by Chas. C. Davis.
